"Healing the Soul from the Inside Out"

A Conference on Healing

November 3-5, 2017

At: St. Thomas Episcopal Church and School
1416 North Loop 1604 East
San Antonio, TX 78232

Our Keynote Speakers:

The Rev. Hugh Bromiley

The Rev. Monte Bromiley

Hugh Bromiley will inspire you to put your problems in front of the Lord. A passionate

speaker and a dedicated Christian healing minister, he will relate stories from a long career bringing people to the Lord for healing. Hugh has been active in the healing ministry for 28 years.

He currently serves as North American Director of the International Order of St.

Luke the Physician. Hugh and his wife, Monte, opened a healing center near San Marcos, TX and another in Virginia. The centers are dedicated to the Bromiley's powerful ministry of inner healing.

Hugh has served in full time ordained ministry. His greatest joy in the ministry has been the Healing Ministry. After twenty-five years of pastoring churches, Hugh left to follow his passion and dedicate himself into the healing ministry full time. He has been active as a leader in the Order of St. Luke Christian Healing Ministry, where he now serves as the North American Director.

From the age of nineteen, Monte has been dedicated to seeking the heart of God and doing things God's way. Over many years of seeking God's solutions for hard personal problems in her own life and in the people that the Lord put in front of her, God led Monte to deep insights into His Word and gave her powerful tools for setting those people free. Monte has been ordained for this apostolic healing ministry. The stories of transformation through Jesus are amazing.

Hugh and Monte met at a Healing Conference in Daytona Beach in 2014. They know that the Lord brought them together both for a loving marriage and to be partners in this ministry that the Lord has given them to lead. Monte and Hugh now travel across the country and around the world, sharing insights and experience and equipping the saints to rise up and do great works in His name.

Hugh's book, "In Search of a Miracle" will be available at the conference as well as items from their Beth Shalom Healing Center in Staples, TX.

Welcome to OSL. We are a collection of individual believers who come together to learn more of the healing love and power of the Lord Jesus and to let it be known that Jesus Christ heals. We believe that Jesus is the same yesterday, today and forever and that healing in His name is still available for us to receive, and to share with the people God puts in our path.

We study, pray, serve, teach, lay on hands, anoint with oil and work to show the truth and reality of Christ's healing love. It is our dream and our goal to spread the healing love and power of Jesus Christ wherever we go.

Jesus told us that the Kingdom of God is among us. He commanded us to heal the sick and make the wounded whole. We take that command to heart, knowing that we are working together according to His Ways.

We work together in an ecumenical, inter-denominational spirit. People come to OSL from many nations to learn how Jesus sets the captives free from sickness, oppression and despair. The dream is to see transformed people make whole their families, churches, cities and nations.
