

Family of St. Thomas,

I hope all is well with you and that God is present in a real and comforting way.

In our efforts to be who God is calling us to be we are trying to do more to care for those who have experienced grief over the loss of a loved one in the near past. I hope you know that you are in my prayers, but I am thankful that we try to do more. In December we are going to have two events that might be of interest to you and other family members or friends.

On **Tuesday, December 19**, we will offer a special **Christmas Memorial** service at 7:00pm. This will be our thirteenth annual year to offer this service. In this service of healing and Holy Communion we will remember those whom we have lost, and focus on the hope of resurrection that is bestowed on us through the birth, death, and resurrection of our Lord, Jesus Christ.

Both of these events are open to anyone at St. Thomas or in the community at large whom you may feel would benefit from them. Please let me know if I can be of any help this holiday season.

Take care of yourself and may God bless you.
